

REMARKS

The claims have been amended to more clearly define the invention as disclosed in the written description. In particular, claim 25 has been cancelled, while claim 4 has been amended for clarity.

Applicants believe that the above change answers the Examiner's objection to claim 4 and respectfully request withdrawal thereof.

Applicants further believe that the cancellation of claim 25 answers the Examiner's rejection of claim 25 under 35 U.S.C. 101.

Applicants believe that this application, containing claims 1-23, 26 and 27, is now in condition for allowance and such action is respectfully requested.

Respectfully submitted,

by           /Edward W. Goodman/
